

Chair/Director Sponsorship

As a means of raising funds for the continued operation of the Lakes Area Community Concert Band, we have initiated a Chair/Director Sponsorship program. An individual, group, organization or business may sponsor a chair in the band or our director for a period of one year.

A chair may be sponsored for \$100 and our director for \$250. The sponsor's name will be listed in our concert programs for one year (three times). Contributions may also be listed "In memory of," "In honor of" or Anonymously.

Your contribution, which is fully tax deductible, enables the Lakes Area Community Concert Band to fulfill its mission and positively impact our community.
